### **Ray Richardson - Lucky Seven**

Glasgow Print Studio are pleased to present *Lucky Seven*, a new series of panoramic format screenprints by Ray Richardson.

Richardson is a British painter who was first invited to work at Glasgow Print Studio in 1991 and has since made over 30 editions and had 2 solo shows. The images in the series reflect the cinematic quality, vitality and drama that are hallmarks of Richardson's carefully observed figurative reflections.

All works are available to purchase online (clicking on any image title will take you directly to the appropriate web page), by telephone (0141 552 0704) or at our Trongate 103 ground floor gallery.
